

**Bid Solicitation – Window and Door Replacement at the Lycoming Valley Railroad
Office Building and Warehouse**

The SEDA-COG Joint Rail Authority is soliciting bids from qualified general contractors to remove and replace seventeen (17) windows within the Office Building and two (2) doors in the Warehouse located at 421 Reighard Avenue (corner of Boyd and Reighard, adjacent to General Cable) in the Newberry section of Williamsport, PA. A pre-bid meeting at the site is scheduled for Tuesday, December 1, 2020 at 10:00 a.m. Attendance at the pre-bid meeting is mandatory.

The general scope of work includes removing and replacing all windows in the Office Building with at least one sliding window in each room and replacing two doors in the Warehouse. The replacement windows should be commercial grade, aluminum framed windows.

Each bid shall be accompanied by a warranty describing the time period and compensation related to warranties provided by the material supplier and/or installation contractor.

The bids must be received at the office of the SEDA-COG Joint Rail Authority, 201 Furnace Road, Lewisburg, PA 17837, by 3:00 p.m. on Tuesday, December 8, 2020. Bids must be accompanied by a 5% bid bond or certified check in the same amount. Unsuccessful bidders will have their checks returned immediately. Bids will be awarded on Wednesday, December 9, 2020. The work must be completed by February 12, 2021.
