

INVITATION FOR BIDS

SEDA-COG Joint Rail Authority Electrical Structure Removal and Replacement in Lycoming Valley Railroad Office Warehouse

The SEDA-COG Joint Rail Authority is soliciting bids from qualified electrical contractors to remove and replace all electrical structure within the Warehouse Building located at 421 Reighard Avenue (corner of Boyd and Reighard, adjacent to General Cable) in the Newberry section of Williamsport, PA. A pre-bid meeting at the site is scheduled for Wednesday, October 28, 2020 at 10:00 a.m. Attendance at the pre-bid meeting is mandatory.

The general scope of work includes upgrading the existing electrical wiring, lighting, and associated components located within the Warehouse Building, based on comments received from an inspection review. The work shall include removal and replacement of existing electrical equipment and devices, including an existing distribution panel and associated branch circuit wiring, and all existing lighting fixtures, including associated wiring and switching. The interior dimensions of the Warehouse Building are roughly 40'x75'.

The following codes and standards shall serve as minimum requirements for the work and workmanship.

1. Institute of Electrical and Electronic Engineers (IEEE): C2; National Electrical Safety Code.
2. National Electric Manufacturer's Association (NEMA) Standards.
3. National Fire Protection Association (NFPA): NFPA 70, National Electrical Code; and NFPA-70E, Standard for Electrical Safety in the Workplace.
4. Underwriters' Laboratories, Inc. (UL) Listings, Labels, and Approvals concerning the quality and performance of the specified Products. Each bid shall be accompanied by a warranty describing the time period and compensation related to warranties provided by the material supplier and/or installation contractor.

Bidding documents including technical specifications are on file at the SEDA-COG Joint Rail Authority office and can be provided upon request prior to the mandatory pre-bid.

Each bid shall be accompanied by a warranty describing the time period and compensation related to warranties provided by the material supplier and/or installation contractor.

The bids must be received at the office of the SEDA-COG Joint Rail Authority, 201 Furnace Road, Lewisburg, PA 17837, by 3:00 p.m. on Tuesday, November 10, 2020. Bids must be accompanied by a 5% bid bond or certified check in the same amount. Unsuccessful bidders will have their checks returned immediately.

Bids will be awarded on Wednesday, November 11, 2020. The work must be completed by January 29, 2021.
